OUR FILE NO.

August 20, 2018

Hon. Mark T. Garber, Sheriff
Law Enforcement District of the
Parish of Lafayette
P.O. Drawer 3508
Lafayette, LA 70502

Dear Sheriff Garber,

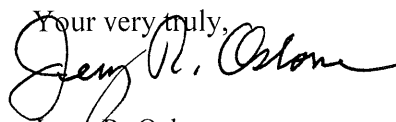

I am aware that you, as the governing authority of the Lafayette Parish Law Enforcement District, have called an election to be held on December 9, 2018, to authorize the levy of a one-half percent sales and use tax (the "Tax") to be used as set forth in the election proposition: "solely for providing law enforcement personnel, equipment, salaries, facilities and services". I am writing in response to your question as to whether there is legal authority to enter into contracts with municipalities within Lafayette Parish for police services they perform in return for payment from the Tax.

A very similar question arose in St. Landry Parish in 2004 and is the subject of Op. Atty. Gen. No. 06-0098, April 26, 2006 and Op. Atty. Gen. No. 06-0098A, June 26, 2006, copies of which I have enclosed herewith. The first opinion states in part that "It would seem that you, as the Sheriff, may legally enter into a cooperative endeavor agreement pursuant to Article VII, Section 14(C) so that the local police departments would perform certain law enforcement operations in exchange for payment and specific amounts to be paid from the proceeds of the sales tax". The opinion further advised that the moneys paid to municipalities must be used for the purpose set forth in the election proposition, in this case, the excerpt from the Lafayette Law Enforcement District sales tax proposition set forth in the paragraph above.

Op. Atty. Gen. No. 06-0098A further advises as follows: "The proceeds of the tax in question must be used for law enforcement operations of the District. Any proceeds paid to a local police department must be for law enforcement operations performed by the police which are the responsibility of the District."

Subject to the conditions set forth in the two cited opinions, proposed payments to municipalities from the proposed Lafayette Law Enforcement District sales and use tax for services by local police which are the responsibility of the District are permitted under Louisiana law.

Your very truly,

Jerry R. Osborne

OPINION NUMBER 06-0098

Honorable Howard Zerangue
Sheriff and Ex-Officio Tax Collector
St. Landry Parish
P.O. Box 1029
Opelousas, Louisiana 70571-1029

160 TAXATION – Sales Tax
La. Const. Art. VII, Sec. 14; La. R.S. 33:9001; 33:9003

Sales tax proceeds dedicated to "paying deputy salaries and law enforcement operations" must be used solely for such purposes. Sheriff may enter into cooperative endeavor agreements with local police departments, and may use tax proceeds to pay the local departments for the performance of law enforcement operations.

Dear Sheriff Zerangue:

You requested an Attorney General's opinion regarding the use of sales tax proceeds. You indicate that an election was held in St. Landry Parish in 2004 for a proposed sales tax on behalf of the St. Landry Parish Law Enforcement District ("District"). The tax was called pursuant to the provisions of La. R.S. 33:9003(c) and Article VI, Section 29 of the Louisiana Constitution. You advise that La. R.S. 33:9001 provides that the reason for the creation of law enforcement districts in each parish is for the purpose of providing financing to the office of sheriff of that parish. The tax, which passed, appeared as follows in the notice and on the ballot:

¾% SALES TAX PROPOSITION

SUMMARY: ¾% SALES AND USE TAX FOR PAYING DEPUTY SALARIES AND LAW ENFORCEMENT OPERATIONS

Shall the Law Enforcement District of the Parish of St. Landry, State of Louisiana (the "District"), be authorized to levy and collect a tax of three-fourths of one percent (¾%) (the "Tax"), upon the sale at retail, the use, the lease or rental, the consumption, and the storage for use or consumption, of tangible personal property and on sales of services in the District, with the proceeds of the Tax (after paying reasonable and necessary costs and expenses of collecting and administering the Tax) to be dedicated and used for the purpose of paying deputy salaries and law enforcement operations.

You indicate that, it is your understanding that the revenues from this sales tax can only be used for salaries and law enforcement operations of the St. Landry Parish Sheriff's Department. You question whether any part of the tax revenues can be given to local police departments in the parish.

Our office has consistently stated that the use of the proceeds of a sales tax adopted at an election in the State of Louisiana is dictated solely by the proposition approved by the voters. R.S. 33:2723; R.S. 33:2714; R.S. 39:704; Attorney General Opinion Nos. 05-0098, 02-365, 01-269, 98-421, 98-287, 96-246, 95-145, 94-540, 94-346, 93-424, 93-47 and 92-50. Thus, the proceeds of the tax may only be used to pay deputy salaries and for law enforcement operations of the District.

As to your authority to give any part of the tax revenues to local police departments, we note that La. Const. Art. VII, Sec. 14 prohibits the loan, pledge, or donation of the funds or assets of the state or any political subdivision "to or for any person, association, or corporation, public or private." This constitutional provision has been interpreted by the Louisiana Supreme Court in *City of Port Allen v. Louisiana Municipal Risk Agency*, 439 So. 2d 399 (La. 1983), which held that the Constitution is violated whenever the state or a political subdivision seeks to give up something of value when it is under no legal obligation to do so. In *City of Port Allen*, supra, the Court stated: "...even if political subdivisions cooperate for a public purpose, they still may not give away their assets to other political subdivisions, the United States government or public or private associations or corporations or to individuals merely for a 'public purpose'."

Paragraph (C) of Section 14 authorizes public entities to engage in cooperative endeavors for a public purpose with other governmental agencies, public or private corporations or individuals. However, Paragraph (C) supplements the prohibition against donations in Section 14(A). It does not create an exemption or exception from the general constitutional prohibition. All such cooperative endeavors authorized by Section 14(C) must also meet the general standard for the non-gratuitous alienation of public funds or property established by Section 14(A). It would seem that you, as Sheriff, may legally enter into a cooperative endeavor agreement pursuant to Article VII, Section 14(C), so that the local police departments would perform certain law enforcement operations in exchange for payment of specific amounts to be paid from the proceeds of the sales tax. In accord is Attorney General Opinion No. 87-495.

Trusting this adequately responds to your request, we remain

Dear Sheriff Balthazar:

You have requested a clarification on Attorney General Opinion No. 06-0098. The opinion dealt with a sales tax proceeds dedicated to "paying deputy salaries and law enforcement operations" of the St. Landry Parish Law Enforcement District ("District"). We opined that the Sheriff may enter into cooperative endeavor agreements with local police departments, and may use tax proceeds to pay the local departments for the performance of law enforcement operations.

You request clarification on whether payment of proceeds from the sales tax in question by the District, to a local police department, under a cooperative endeavor agreement, have to be in exchange for performance by the local police department of law enforcement operations which are the responsibility of the District. The answer to this question is in the affirmative. The proceeds from the tax in question must be used for law enforcement operations of the District. Any proceeds paid to a local police department must be for law enforcement operations performed by the local police which are the responsibility of the District. The proceeds may not be paid to a local police department to enhance the operations of such local police department.
