Under the leadership of Mayor-President Josh Guillory and in coordination with the local Legislative Delegation, LCG has filed a bill for the 2020 legislative session that proposes to enroll future employees in the Parochial Retirement System instead of the Municipal Retirement System. This proposed legislation would only affect future non-fire and police employees hired after Nov. 1, 2020. This WILL NOT AFFECT ANY existing employees. Furthermore, the employee contribution will not change for new or future employees as a result of this legislation. This proposed bill was introduced as a significant cost savings measure for LCG, saving hundreds of thousands of dollars the first year and more in future years.

LCG will be providing updates on the proposed legislation (HB15) as new information becomes available. We appreciate your patience.
