Frank,

On behalf of myself, my family, LCG, and our community: Thank you for your service. Your impact on the youth of our community and the Parks and Recreation Department will be felt for years to come. In the short time that I have had the blessing of working with you, it became apparent to me that you are a hard worker, a person of integrity, and one who genuinely cares about our community. You were placed in a very difficult position here recently, and you handled yourself with the utmost professionalism.

I wish you the very best, and I would be honored to write a letter of recommendation should you wish me to do so.

God bless you, and I again thank you for your dedicated service.

Josh

Subject: Retirement

Mr. Mayor-President,

After several discussions with my family over the last few weeks I have decided it is my time to retire from LPRD and LCG. I truly appreciate the opportunity you have given me as the Interim Director and have done my best to run our Department during this time. I do not want to become an impediment for your Administration or for the Department or for LCG. Therefore I am resigning as the Interim Director for Parks and Recreation effective today and signing my retirement paperwork as I am fortunate enough to be able to do so. It is time for me to explore other opportunities. I am always available to help when and if needed at any point in the future. Please do not hesitate to contact me if you need. Thank you again.

Sincerely,
Frank Wittenberg
